Can be effectually cured by Dr. HOOFLAND'S Celebrated GERMAN BITTERS, prepared by Dr. C. M. Jackson, No. 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cure attest, in many cases after skilling physicians had failed. These Bitters are worthy the intention of invalinds. Possessing great virtuges in the rectification of diseases of the Liver and lesser glands, exercising the most searching power in weakness and affections of the digestive organs, they are withal, safe certain and pleasant.

E. B. Prakins, Marietta, Ohio, Feb. 22 1851, said: "Your Bitters are highly prized by those who have used them. A case of Liver complaint of long standing, which had resisted the skill of several Physicians was sentrely enred by the use of five bottles."

C. L. DRAKE, Freedom, O., April 23 1852, said:—"The German Bitters you sent me last have not yet come to hane. I have been out of the article for some lime, to the great deriment of invalids. It is a medicure much thought of and sought after in this community."
